

Remarks

This Amendment corrects a clerical error in the January 23, 2007 Amendment submitted in response to the Office action mailed October 23, 2006. Claim 107 depends from claim 105, which is directed to a computer-based system. As initially presented in a November 4, 2004 Preliminary Amendment, claim 107 was properly directed to "[t]he system of claim 105." But in the January 23, 2007 Amendment, claim 107 inadvertently included language appropriate to a method claim. Claim 107 is currently amended to again recite language appropriate to a system claim. No new matter has been added.

This application is believed to be in condition for allowance and a notice to that effect is respectfully solicited.

Respectfully submitted,

William R. Evans
